Why with Wamos?

- For our 50 years of experience organizing trips for you.
- For our commitment to you.
- For the quality in our staff and our official guides.
- For our personalized service.

We are a group of people-oriented people. Wamos listens carefully to its customers, suppliers and we believe in the value that each of them brings.

All employees play an essential role in the company. And for that reason, Wamos seeks to promote the personal, work and social development of its employees.

Wamos is a committed group with society. It carries out actions of support to different social causes, and maintains a firm bet for the reduction of CO2 emissions.

Our work is governed by the principles of professionalism, ethics and honesty. Values that are reflected in each of our actions in the different areas of the day to day.

Wamos offers visitors through Madrid, where you can enjoy the city always accompanied by our official guides.

We also offer you the possibility to visit the most important museums of the city: Royal Palace, Thyssen Museum, Reina Sofia And if you like football, tickets with preferent access to the Bernabeu Tour.

Madrid is surrounded by beautiful cities: Toledo, Avila, Segovia, Escorial and Salamanca and you can visit with us. Many of them World Heritage cities and that our guides will discover not only the city, also visit the main Museums in each one of them.

They have other special options in Madrid: Segway, walking tours, classes and flamenco shows.
